

Position on GSA Amendment to House Transportation Treasury 2004 Appropriations Bill

**National Association of Secretaries of State (NASS)
Adopted by the NASS Membership on July 27, 2003**

The members of the National Association of Secretaries of state strongly support the Hoyer amendment to the 2004 Appropriations Transportation Treasury bill, which would temporarily authorize the General Services Administration to administer election reform grants in Title II of the Help America Vote Act until the members of the new Election Assistance Commission are appointed.
