Safe at Home
SECRETARY OF STATE

Iowa Safe at Home

An address confidentiality program that helps victims of domestic violence, sexual assault, trafficking, stalking and assault

- + Over 1,200 Active Participants
- + Participants in 77 of 99 Counties
- + Increased Voter Turnout among Participants

PROTECT OUR PROTECTORS

Expanded to Serve:

- + Peace Officers and
- + Civilians working in a Law Enforcement Agency
- + Judges
- + Prosecuting Attorneys

Iowa Law Requires ALL Organizations/Agencies to Accept

9E.5 Use of designated address.

1. When a program participant presents the program participant's designated address to any person, that designated address shall be accepted as the address of the program participant. The person shall not require the program participant to submit any other address that could be used to physically locate the program participant either as a substitute address or in addition to the designated address, or as a condition of receiving a service or benefit, unless the service or benefit would be impossible to provide without knowledge of the program participant's physical location.
